

STUDENT TRAINEE (m/f/d)

AUDIT Logistics Processes

BTS

BTS Logistik GmbH is a leading logistics provider offering tailor made solutions for our customers in the kitchen and office furniture industries. Our service portfolio is individually arranged with every partner and ranges from production planning, route scheduling and storage logistics all the way to delivery of the furniture to our clients. For this, we use state of the art technology and are an established industry leader in our field. From our two locations in Owen (Baden-Württemberg) and Melle (Niedersachsen) we cover the whole of Germany and Central Europe. Our technological advantage sets us apart from our competitors. And one thing is for certain – our work throughout the whole process chain is unparalleled. We offer far more than transport and delivery of kitchen furniture.

DESCRIPTION

- Auditing existing processes in our logistics centre in Owen.
- Dokumenting and description of processes
- Monitoring of the measures proof of effectiveness
